*Allowable Subject Matter*

This communication is in response to applicant's amendment which is filed February 6, 2006 by a request for continued examination filed on March 6, 2006.

The proposed amendment has been entered and made of record. Claims 5, 10 and 12-14 have been amended to more particularly point out and distinctly claim the invention.

Applicant's amendment with respect to the pending claims 1-14, filed February 6, 2006, places the application in condition for allowance.

Claims 1-14 are allowed as evident by applicant's amendment and argument.

Referring to Claims 10 and 13, The following is an examiner's statement of reasons for allowance: The prior art of record fails to disclose or suggest wherein said a radio frequency transaction device is configured to interact with a second interaction device configured to read data from said second data storage for completion of a financial transaction.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
